

HONORARIUM PAYMENT INFORMATION

Initially, each client is required to send a *deposit check to establish their Intensive Week, or initial Intensive or Extended Session appointment. See table below for a complete schedule of required deposits and suggested donations.

If, after your first session you are not completely satisfied, you may request a refund of your initial deposit amount. All subsequent sessions are on a suggested donation basis. I live on what you give. So, for the time that I invest I ask that each client pray about meeting or exceeding the suggested amount. I need to be able to pay my own bills, so your gifts are very much appreciated and enable me to stay in the ministry. I am endeavoring to average \$125.00 per each 1½-hour session. This is about the equivalent to a rate of \$85.00 per hour. Some are not able to give that amount, so we simply trust the Lord to also bring people who are able to give more than that amount per session.

To give a comparison, my Extended Sessions are 90 minutes in length, for a suggested donation of only \$125.00. Many Counselors or Therapists will charge a *flat* fee \$150.00 or more for a 50-minute session. Still others will charge even more. Ask the Lord what to give; He knows the need and your own situation.

Please note: Each client is required to invest something in their counseling program. We do not provide free counseling.

*Deposits, honorarium payments and donations are to be made out to Jeffrey J. Crum or Genuine Healing Ministry. Deposits are due at my office at least **one day** prior to your initial appointment unless other arrangements have been made in advance. You may also make a payment by phone or in person using Visa, MasterCard, Discover or American Express. Subsequent honorarium payments are to be paid at the time of each counseling visit.

Any additional gifts to this ministry are welcome.
